PART VI – VERIFICATION OF PERMIT APPLICATION (771.27)

I, the undersigned operator and holder of the A.S.M.C. license do hereby submit this as my application for a permit to engage in the surface coal mining operation and certify that the information in the application is true and correct to the best of my information and belief. This application is submitted in conformance with rules and regulations of the Commission and it is agreed that any operations pursuant to the permit will be conducted in accordance with those rules and regulations. I further certify that I will keep the Commission advised of any changes of facts as may pertain to the license information or this permit application.
