To whom it may concern,

I am the legal owner of record of certain properties in Bibb County, Alabama on which a portion of the land disturbed by the above referenced mining operation is located. I prefer that the post mining land use for my property be left as forest with all roads to remain as permeant for landowner access. The only exceptions are as follows:

- 1 Acre in the NE/NW and NE/NW of Section 13, Township 22 South, Range 5 West permitted as Sediment Basin 007 be left as undeveloped/no current use.
- 1 Acre in the SW/SE and SE/SW of Section 14, Township 22 South, Range 5 West permitted as Sediment Basin 029 be left as undeveloped/no current use.
- 2 Acres in the SW/NW of Section 23, Township 22 South, Range 5 West permitted as Sediment Basin 031 be left as undeveloped/no current use.
