To whom it may concern,

I am the legal owner of record of certain properties in Cullman County, Alabama on which a portion of the land disturbed by the above referenced mining operation and identified as Increment No. 5 is located. I prefer that the post mining land use for my property be left as Industrial/Commercial land use and any roads to facilitate the new land use. I accept full responsibility for the sound future maintenance of the roads.

Sincerely,

Southern Mineral Resources, LLC
