RE: Jim Walter Resources, Inc.  
North River No. 1 Mine / P-3222

Gentlemen:

We hereby request and consent to change the post mining landuse of our land at the above referenced facility. The requested change is to leave all permitted areas within the above referenced permit as "Undeveloped, or No Current Use", with the exception of the following:

- 1) All non-basin permitted areas within post Revision R-38 Increment Nos. 5, 7, and 8. These areas are requested to have a post mining landuse of Industrial / Commercial (see Part IV-A-1 Post Mining Landuse Map Sheets 1 and 2).
- 2) Permitted areas within post Revision R-38 Increment No. 6 which are located on (or under) Willingham Road. These areas have a post mining landuse of "Existing Roadway" (see Part IV-A-1 Post Mining Landuse Map Sheets 2 and 3).
- 3) A portion of the access road to Basin 022 and a portion of the Main Facility Haul Road. These areas are requested to have a post mining landuse of "Permanent Road" (see Part IV-A-1 Post Mining Landuse Map Sheets 1 and 2).
- 4) Basins B-1, B-1A, B-2, B-3, B-7, 010, 010A, 015, 016, 018, 018A, 022, 023, and 024: These areas either currently have, or are requested to have, a post mining landuse of permanent water impoundment, fish and wildlife habitat. After Phase III Bond Release approval we will be responsible for the sound and future maintenance of these basins (see Part IV-A-1 Post Mining Landuse Map Sheets 1 and 2).

This letter replaces and / or supersedes any previous post mining landuse request submitted by the operator for the above referenced areas.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard A. Donnelly", written over a white background.

RE: Jim Walter Resources, Inc.

North River No. 1 Mine / P-3222

Gentlemen:

I do hereby request that the post mining land use of Tuscaloosa County Right-Of-Way "Willingham Road" at the above referenced facility remains as originally permitted, "Existing Roadway"; and that the post mining land use of Tuscaloosa County Right-Of-Ways "Co. Road 63" and "Old Jasper Road" is "Undeveloped – No Current Use".

I also request that any road bores and pipelines buried adjacent to paved roads remain permanently buried, to avoid re-disturbing and de-stabilizing the road beds. Additionally, I request that the steel pipe attached to Whitson Bridge remain permanently attached.

This letter supersedes and/or replaces any previous post mining land use request submitted on my behalf.

Yours truly,

Bobby C. Hagler  
County Engineer

North River No. 1 Mine / P-3222

Gentlemen:

I do hereby request that the post mining land use of my property at the above referenced facility is "undeveloped, no current use". In addition, I also request that any power lines and access roads built, improved, or maintained by the operator on my property remain as permanent access roads.

I also request to leave sediment basin B-12 as a permanent water impoundment, fish and wildlife habitat. After Phase III Bond Release approval, I will be responsible for the sound and future maintenance of this basin.

This letter supersedes and/or replaces any previous post mining land use request submitted on my behalf.
