P-3233 Revision R-22

Dear Randy:

Please accept this letter as a request to withdraw the above referenced revision. The timing required for the issuance of the U. S. Army Corp. Of Engineers Individual Permit, which is required for your issuance, has made the issuance of R-22 expected issuance greater than 60 days away. In light of the need for Revision R-23 to be issued as soon as possible the items in R-22 will be re-submitted in a later revision. There is no acreage added in R-23. I will be submitting Revision R-23 shortly.

If you have any questions or require additional information please feel free to call me at 295-3127 or e-mail lstephens@percengineering.com

Sincerely,

PERC Engineering Co., Inc.
