

Applicant: Black Warrior Minerals, Inc.
Mine Name: Fleetwood Mine No.1
Permit Number: P-3810 Revision R-12

PART IV ADDENDUM TO RECLAMATION PLAN

- 1) The pre-mining landuse of the area change by Revision R-12 consists of 1.0 acre undeveloped or no current use. The post-mining landuse of the area changed by Revision R-12 is 1.0 acre used for industrial or methane well. The proposed post mining landuse is compatible with the landuse of the surrounding areas.

No new acreage is being added in this revision.

- 2) No prime farmland exists within the permit area.
- 3) Completeness of contouring, backfilling, and grading shall follow the same requirements as the previously approved Reclamation Schedule. All grading and contouring shall follow the approximate original contours.
- 4) Topsoil handling and revegetation will follow the originally approved Reclamation Plan in the Permit P-3810.
- 5) Husbandry practices and sampling to determine success of revegetation shall be in accordance with the originally approved Permit P-3810.

RE: Black Warrior Minerals, Inc.
Fleetwood Mine
P-3810/ Revision R-12

To Whom It May Concern:

I hereby consent to the reclamation plan covering land disturbed at the above referenced facility. The reclamation plan is to reclaim my property to undeveloped or no current use and access, with the exception of approximately one (1) acre, located within Increment No. 4, which will be reclaimed as industrial/ methane gas well.

Sincerely,

Gene R. Taylor - Manager
