RE: Cane Creek, LLC.  
Flat Top Mine, P-3882

To Whom It May Concern:

I am the legal owner of record of certain property, located in parts of Sections 18, 19 & 20 all in Township 16 South, Range 4 West all in Jefferson County, Alabama and disturbed by the above referenced mining operation and labeled as F-2 CANE CREEK, LLC on the permit map.

I understand that the pre-mining land use consisted of Undeveloped / no current use. I prefer that the post mining land use for my property be left as Undeveloped/no current use that may include the Forestry Reclamation Approach (FRA). I also prefer that all roads remain as permanent for landowner access. I also prefer for all sediment basins that meet PWI criteria to be left as Permanent Water Impoundments for Fish & Wildlife. I do agree to assume all responsibility for sound maintenance of all permanent water impoundments after a Phase III bond release has been issued.

Sincerely,
