RE: Black Warrior Minerals, Inc.
Mine No. 1, P-3950

To Whom It May Concern:

I am the legal owner of record of certain property located within the permit boundary and disturbed by the above referenced mining operation. We request that all basins, that will meet the requirements, be left as Permanent Water Impoundments. We agree to accept responsibility for future sound maintenance of all basins left after a Phase III Bond Release has been granted. Also, we request that the post mining land use be undeveloped/no current use.

Sincerely,

Sumlearn, LLC.

Rance Perry, President
