Dear Mr. Williams:

Upon review of the cultural resource assessment conducted the Office of Archaeological Research, we have determined that the project activities will have no adverse effect on cultural resources listed on or eligible for the National Register of Historic Places. Therefore, we concur with the proposed project. However, should artifacts or archaeological features be discovered during project activities, work shall cease and our office shall be consulted immediately.

We appreciate your efforts on this project. Should you have any questions, please contact Greg Rhinehart at (334) 230-2662. Please have the AHC tracking number referenced above available and include it with any correspondence.

Truly yours,
